His brilliant conduct in command of the light troops of the 3rd, or Picton's (the Fighting), Division frequently called forth the applause of that distinguished General, and the admiration of his brethren in arms, and obtained for him the Order of the Bath and a Cross for the Battles of Vittoria, Nivelle, Orthes, and Toulouse. PRICED CATALOGUES.

*A*FTER each sale these catalogues are issued with the prices realised printed in the margin opposite each lot, thus giving at a glance a reliable guide to values.

The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading.

On the average we issue twelve Coin and Medal catalogues a year, some of which are usually of sales of important collections. The **priced catalogues** are posted to subscribers as soon as ready, usually about a week after the date of sale and the subscription is

ONE GUINEA per annum.
